### It's Easy to Register

#### Online Registration by Credit Card [www.AAPG.org/NewOrleans](http://www.AAPG.org/NewOrleans)

Online registration allows you to know immediately which events (short courses, field trips, luncheons, tours, etc.) are available and if you are registered for an event. If an event is not available, it will not appear on the screen or it will indicate "sold out."

Faxing or mailing your registration will delay this process and events may sell out while your registration is in transit. To add an event after you have registered, follow the instructions on the next page under the heading "Changes/Cancellation/Refund Policy." Please be careful not to register online again, as this will result in duplicate charges.

### Mail-In Registration

Download a registration form at [www.AAPG.org/NewOrleans](http://www.AAPG.org/NewOrleans) or use the form on pages 58-59.

However, at times it does become necessary to cancel events due to under-subscription. We cannot accept responsibility for costs associated with any cancellations of under-subscribed events, i.e. airline tickets, hotel deposits, etc. Refund of the event fees will be issued if an event is cancelled.

## Sold Out Events
