Dear Sir/Madam,

**INVITATION TO PARTICIPATE IN GEOSCIENCE EXHIBITION AND COMPETITION
2017 (GEnC 2017)**

Regarding the above matter, the American Association of Petroleum Geologists-Student Chapter of Universiti Teknologi PETRONAS (AAPG-UTP-SC) is organizing an event, Geoscience Exhibition and Competition 2017 (GEnC 2017) which will be held on 17 & 18 July 2017 (Monday & Tuesday) at Chancellor Foyer of Universiti Teknologi PETRONAS (UTP).

2. First and foremost, the Geoscience Exhibition and Competition 2017 (GEnC 2017) is the third event which is organized by student chapter that will involve the geology or geoscience students from Malaysia and some ASEAN countries such as Thailand, Singapore, Indonesia etc. There are four main events in GEnC 2017, which are:

- i. Outcrop and Poster Exhibition
- ii. Outcrop Description Presentation
- iii. Geosciences/Oil and Gas/Other Companies Exhibition and Talk
- iv. Grand Dinner

MAIN EVENT DESCRIPTION

1. OUTCROP AND POSTER EXHIBITION

Participants will choose a specific outcrop in their area and required to describe and present the outcrop geologically. The participants will present their findings through poster presentation at their respective booth during the competition. During the exhibition, the participants need to display and exhibit all their findings on a poster and any other representation based on their own creativity such as slides, video, pictures, article, poster, rock samples and others to attract the judges and students. It is compulsory for the participants to present their poster to the judges at their booth during exhibition.

2. OUTCROP DESCRIPTION PRESENTATION

Through this presentation, participants will explain their finding based on their respective outcrop by using any media presentation such as slideshows in Microsoft Power Point, Prezi and etc. They will present their findings along with the evidences and summaries all the geological features present in their outcrop. During the presentation, they can also include their methodology, rock samples etc. based on their creativity. Through this event, student soft skill and technical skill will be enhanced. The participants are given 30 minutes to present including the QnA session by the judges.

3. GEOSCIENCES COMPANIES EXHIBITION AND TALK

There will be an exhibition and talks by Oil and Gas Companies. Students will gain technical knowledge and informed about their career in the future. In addition, the companies would also be able to present or exhibit their latest technology or research which will greatly benefit the students and encourage them to be a geoscientist in the future.

4. GRAND DINNER

The closing ceremony and prize giving ceremony will be held during the Grand Dinner of the event. This Grand Dinner will be held to provide the opportunity for the participants to strengthen their network. We will provide this unforgettable event with sumptuous meal while enjoying the performances.
