

Influence of Volcanism and Associated Magmatic Processes on Petroleum Systems

Oamaru, New Zealand, 14-16 March, 2017

You are invited to submit an abstract for this event.

Abstract Submission Deadline: 1 July 2016

Submit abstracts to: [Adrienne Pereira, Programs Manager, AAPG Asia Pacific](#)

Please note :

- Abstracts received by AAPG are deemed to already have corporate approval and the affirmation that the Presenter / Poster Author will participate in the Workshop.
- AAPG is not able to provide financial aid for travel. All presenters, whether oral or poster, must register and pay for their attendance. In order to finalise the program, we would like for all presenters to register at least 10 weeks before the event commences.
- The committee reserve the right to release short or extended abstracts (or both) to Delegates, either in print or digital format.
- Full power point presentations will not be released at the event. Delegates may approach the speaker directly, or await their permissioned upload to AAPG's Search and Discovery portal. AAPG will contact all presenters after the event to seek their permission to upload these digitally.

Instructions for Short Abstract Submission :

- Word format; A-4 regular size and regular margins; normal white background; without border
- Header : "AAPG GTW "Influence of Volcanism and Associated Magmatic Processes on Petroleum Systems" – in grey; Calibri, 10-point font.
