It's Easy to Register!

• Online registration

By credit card: www.AAPG.org/Rio. Online registration allows you to know immediately which events (short courses, field trips, luncheons, etc.) are available and if you are registered for an event. If an event is not available, it will not appear on the screen or it will indicate "sold out."

Mailing your registration will delay this process and events may sell out while your registration is in transit. To add an event after you have registered, follow the instructions on the next page under the heading "Changes/Cancellations/Refund Policy." Please be careful not to register online again, as this will result in duplicate charges.
