

IBA Temporary Software License
RoseRA Prospect Volumetric and Chance Assessment Software
by Rose & Associates
For university teams competing in the AAPG Imperial Barrel Award competition

INSTRUCTIONS

All data fields must be completed. Send the completed form to lisaward@roseassoc.com.

TERMS AND CONDITIONS

Universities with teams competing in the AAPG Imperial Barrel Award may request temporary access to RoseRA software. All licenses will expire on August 1 of the competition year in which the software is requested. Access is given via download from a shared folder. Students and faculty directly associated with the applicants' IBA team may use the software. The software may not be used if the individual leaves the university.
