Reservoir Deformation Research Group Meeting

Denver, Colorado June 9, 2009 • 7:00 – 10:00 PM

[Agenda Download PDF](#)

- 7:00-8:00 pm
 - Socializing. The beer is free and we don't get to see each other that often. Enjoy it!
- 8:00-8:45 pm
 - Nominations for 2010-2011 Industry Co-chair.
 - Review of structural geology / tectonics sessions - for the 2009 AAPG and 2009 AAPG international (Rio de Janeiro) meetings, for the 2010 annual meeting (New Orleans).
 - AAPG Research Committee report and review of the 2008 Hedburg Conference on fractures.
 - Nominations for structural geology / tectonics sessions for the 2010 annual meeting.
- 8:45-10:00 pm
 - Short presentations and group exercises on "Separating fact from fiction: QC/QA of fault network interpretations." Presenters include Graham Yielding and John Walsh.

Meeting Agenda by Alex Bump and Chris Zahm
