Recent Discoveries and Exploration and Development Opportunities in the Guiana Basin
6-7 November 2019 | Paramaribo

The AAPG Latin America & Caribbean Region invites you to be a part of GTW Suriname 2019, a specialized workshop bringing leading scientists and industry practitioners to share best practices, exchange ideas and explore opportunities for future collaboration.

Sponsorship provides your company with high visibility among the industry, government, and academic specialists attending the event, as well as to a global audience on the Internet. All monies contributed will be used to offset conference expenses and to provide support to university students and speakers who need financial assistance to attend the workshop.
